

All roads and straight and safe with us.

Contact us.

We guarantee you better cooperation conditions than existing business partners.

The head office of Multi Spedytor is located in Szczecin, which is an excellent location for transport.

Our company can be found at the crossing of international transport routes with a direct access to the European system of motorways and sea ports. This gives us a great advantage over other regions of Poland.

We also have branches in Słubice and Zielona Góra.

Regardless of the location and sector, our Customers could always rely on support of our experts providing specialist solutions in transport, forwarding and logistics.

We are distinguished by our professional services.

We offer independent services, which helps us to limit the risk.

We have continuously been distinguished as regards quality.

We specialise in international and local road transport.

Our leading services include road transport with the use of vehicles.

Considering our Customers' demands, we also transport added loads and LCLs in all regions of Poland and Europe.

You can also rely on us as regards storage racks.

Safety of entrusted loads is a priority for us.

Therefore, we have taken out one of the best insurance policies with respectively high guaranteed sums.

Safety is priceless for us. The value of our policy is EUR 500 000 EUR per each event.

Our transport backup facilities are enlarged and modernized all the time.

Owing to our experience, we are aware of significance of appropriate securing of business for our Partners.

Quality and safety are fundamental to all our activities.

All roads and straight and safe with us.

We are people acting with passion.
